Celebrating 25 Years in 2018

Boxing Canada Joint Press Release May 8, 2018

The City of Langford is extremely excited about welcoming Boxing Canada to our city. The 2019 Super Channel Championships being held here next April promote the journey Langford embarked on some 15 years ago when it set out to rebrand itself as the sport tourism destination within British Columbia. We recently opened up the Bear Mountain Parkway which was branded as the Olympic Corridor to highlight the movement of national sport team athletes between Bear Mountain, home to Golf Canada and Cycling Canada, and City Centre Park which is home to Rugby Canada. This clearly demonstrates that the City of Langford is open to hosting national and international sporting events and providing the training facilities for Canada's up and coming and elite athletes.

Boxing adds yet one more professional sport organization that has signed up to come to our community because we have shown that we have what it takes to support their events. There is no better place to host a championship like this one than in Langford; we have the partnerships; we have the sponsors and we have the enthusiasm and support of the community behind us.

This is one of two boxing events that will be held in Langford in 2018/2019 and you can be assured that there will be more to follow.

Mayor Stewart Young
